VOLUNTEERS:

Contact Information: Please make sure the office has your most current contact information.

Vandalism: If you encounter vandalism we ask that you photograph the damage and report it to the office immediately. Any vandalized barrel should be replaced instead of refilled, so we can make sure the barrel is clean. If you see anything of a threatening nature such as weapons or suspicious device at the station please call 911 immediately.

Emergency Response System: Spot tracks movement and can send distress signals. Spotty and Rover function fine.

Border Patrol: At the request of the Border Patrol Sector Chief, if you see BP agents near water stations, we ask that you take a picture of the license plate and take down the date and time. Forward the pictures to Joel as soon as possible, with an explanation about them.

SPOT: The tracking device is required for all water runs. Please ensure that it is turned on and in tracking mode. This helps us find you if you run into problems. Please do not call anyone from Humane Borders during a water run unless it is an emergency.

Equipment and Trucks: Please make sure to report any broken equipment to the office. Do not store any equipment in the door well.

Food Packs: Joel is preparing food packs to distribute to migrants. We are accepting donations of non-perishable food such as crackers, fruit cups, energy bars, etc. Thank you for your support!

COMMUNITY EVENTS

Two films of relevance are on the Tucson radar. One currently showing, ***The Best of Enemies***, is based on a book written by one of Humane Borders' stalwart drivers on our Saturday Phoenix run - Osha Grey Davidson. The movie focuses on a certain civil rights struggle in Durham, North Carolina circa 1971. And on May 2nd, there will be a local showing of ***The River and the Wall***, which chronicles the 1200-mile journey of four people down the Rio Grande River from El Paso to the Gulf of Mexico, using horses, mountain bikes, and canoes. The film documents how the natural and human environment would be impacted by the construction of one more border wall in Texas.
