Contact Information: Please make sure the office has your most current contact information.

Vandalism: If you encounter vandalism we ask that you photograph the

Emergency Response System: Spot tracks movement and can send distress signals. Spotty and Rover function fine.

Border Patrol At the request of the Border Patrol Sector Chief, if you see BP agents near water stations we ask that you take a picture of their license plate and take down the date and time. Forward the pictures to Juanita as soon as possible, with an explanation about them.
